IHA – INSTRUCTIONAL PROGRAM

INSTRUCTION

Classroom instruction shall be guided by the educational program described in the MSCS Charter, inspired by Waldorf educational methods and sustainability, and by the school's Unified Improvement Plan (UIP).

The School Director, faculty, and staff will work together to ensure the completeness and effectiveness of this educational programs with resource, mission and vision support from the board of directors.

ASSESSMENT AND EVALUATION

Per its charter and district and state requirements, the school will measure and review the performance of its instructional program each year. In addition to district and state requirements for reporting and planning, the School Director will ensure the implementation of the school's UIP.

Adopted by Board: October 10, 2017

Revised/Reviewed by Board: November 12, 2019
