

# LEGO Engineering Enrichment Mountain Sage Community School

STEM Explorations with LEGO® Materials! Spring 2024

Thursdays | 4:00pm - 5:00pm | March 21st - May 16th | Grades: 3rd - 5th

Master your engineering skills with Play-Well TEKologies and tens of thousands of LEGO® parts! Apply real-world concepts in physics, engineering, and architecture through engineer-designed projects. Projects are **rotated seasonally** to ensure that even returning students get a new experience, so join us to design and build as never before and explore your craziest ideas.

Sign up at [play-well.org](http://play-well.org)

Kids are already naturally gifted creators. They dive into our massive collections of LEGO®. And while they build elaborate objects they explore fundamentals principles of engineering and physics. They also learn to collaborate and create without fear of mistakes. The experience is joyful, the impact long lasting. **Learn more at [play-well.org](http://play-well.org).**
